

# OPPORTUNITY & DEMOGRAPHICS

## Marketing Opportunities:

Don't miss this opportunity to market your products and/or services to over 3,500 cycle enthusiasts! The Alpine County Chamber of Commerce will host the 37th annual Death Ride® in Markleeville, California. What better setting than the beautiful Sierra Nevada mountains to showcase your products and services?

As a sponsor and/or exhibitor of the Death Ride® you will have continuous opportunity over two days to provide the participants and spectators with what they require or desire. We invite you to participate in this year's event. Join us and other leading-edge cycling companies to network, make new customers and promote your products!

## Demographics:

It is the largest event for both the Chamber of Commerce and Alpine County. People from all over the country and the world come to participate and spectate.

Recognized as one of the west's most prestigious endurance cycling events, the 129 mile course features 15,000+ feet of climbing with elevations between 5,000 and 8,730 feet. The spectacular views and physical challenge of the Death Ride® attracts the most serious of cyclists from all over. These athletes require the best equipment, nutrition and training available. 3,500 cyclists registered for the 2016 Death Ride® with 1,556 completing the entire five-pass course. Approximately 2,000 non-riders also come to watch, volunteer or browse the Death Ride® Expo.

## Giving Back:

We are proud to be able to disperse over \$50,000 from the Death Ride® revenue to the non-profit organizations and individuals that support this event. These groups and individuals bring invaluable support to the riders throughout the day. This ride would not be a success without them.
